

Courtesy Fill Authorization Form

Customer Name: _____

Delivery Location: _____

Date: _____

Signature: _____

Please place the delivery location listed above on Blue Flame Propane's Courtesy Fill Service.

Courtesy Fill Removal Form

Customer Name: _____

Delivery Location: _____

Date: _____

Signature: _____

Please remove the location listed above from the Courtesy Fill service. I understand it is my responsibility to monitor my tank and call for my propane deliveries.

Courtesy Fill Service: Blue Flame Propane offers a "Courtesy Fill Service" to qualified customers. Your deliveries will be scheduled based on your consumption of gas in relation to the average outside temperature. Blue Flame Propane will calculate your deliveries to arrive when your tank gauge reads approximately 20%. Upon completion of the delivery, the tank will be full and the gauge will read approximately 80%.

Will Call Service: Will Call deliveries occur only at the request of the customer. We urge all "Will Call" customers to call their local office when their gauge reads 20%. Our customer service representatives will schedule your delivery on the next designated delivery day for your route.
